

Announcement of an open competition for the position of Dean of the Faculty of Physics

The Council of the Faculty of Physics of Vilnius University announces an open competition for the position of Dean of the Faculty of Physics (the term of office - 5 years).

The Dean of the Faculty of Physics is elected by the Council of the Faculty by secret vote from among the Candidates nominated in the academic branch units and other academic organizational units, as well as Candidates who have put forward their own candidacy, following the procedure established by the Statute of Vilnius University and Regulations of the Faculty of Physics, and recommended to the Rector for appointment. The position of Dean can be held a person who meets the requirements for the head of a core academic unit provided by the Statute of Vilnius University.

Salary for the position of Dean: EUR 4094,00 (before taxes) and additional premiums and bonuses according to the reward system valid at Vilnius University.

A person of impeccable repute with a doctoral degree, proven teaching and managerial experience, and who did not attain the statutory retirement age by the first day of the term of office may stand for election. The activities of the Candidates for the position of Dean must demonstrate that they understand the mission of Vilnius University, promote the values of Vilnius University, are motivated to enhance the quality of the University's activities, and possess the knowledge, experience, and skills to exercise the duties of the Dean. A Candidate for the position of Dean can also be a person not employed by the Vilnius University. A person who has held the post of Dean for two consecutive terms before the current election cannot stand as Candidate.

Persons wishing to participate in the Competition must **from November 24, 2022 until December 12, 2022, 3:00 p.m.** submit the following documents in Lithuanian (or in English, for citizens of foreign countries) to the Chairman of the Faculty Electoral Commission (Saulėtekio 9, building III, Vilnius, room 310) in person, by registered mail or via courier service:

- 1) an application to participate in the competition;
- 2) the applicant's curriculum vitae, necessarily indicating the available pedagogical and managerial experience;
- 3) a copy of the applicant's identity document;
- 4) a copy of the document confirming the scientific degree awarded to the applicant;
- 5) program of the applicant's activities after being elected to the position of Dean (up to 2 pages);
- 6) the applicant's Conflict of Interest statement (Annex 1 of the Description of the process for election to the position of Dean).

Confirmation of received documents is sent to the applicant by e-mail.

Election process:

- a) The list of Candidates for the position of Dean of the Faculty of Physics will be announced on **December 21, 2022** on the website of the Faculty of Physics.
- b) The public debate for the candidates to present their activity programmes to the Faculty Community will be held **in the Great Physics Auditorium on January 12, 2023 at 2:00 p.m.** (Saulėtekio 9, building III).
- c) The election of the dean of the Faculty of Physics will take place at an open meeting of the Council of the Faculty of Physics **in the Great Physics Auditorium on January 20, 2023 at 2:00 p.m.** (Saulėtekio 9, building III).

Chairman of the Electoral Commission: Assoc. Prof. Dr. Kazimieras Glemža.

Contacts: Saulėtekio al. 9, building III, room 310, 85 2366049, e-mail kazimieras.glemza@ff.vu.lt

Members: Assoc. Prof. Dr. Robertas Maldžius and Martyna Šimkutė (student representative).

**Declaration of Conflict of Interest Statement of the Applicant for the Position of Dean of the Faculty of
Physics of Vilnius University**

I, _____, seeking to stand for the position of Dean of the Faculty of Physics of Vilnius University, hereby certify that I meet the requirements applicable to candidates for the position of Dean of the Faculty of Physics as set forth by the Act on Higher Education and Research of the Republic of Lithuania, the Statute of Vilnius University and the Description of the Process for the Election to the position of Dean of the Faculty of Physics of Vilnius University.

I confirm that there is no conflict of interest between me and Faculty of Physics of Vilnius University, i.e. there are no reasons relating to my family, political or national affinity, economic interest or joint interests with Vilnius University which would imply any risk that I cannot impartially and objectively fulfil the duties of Dean of the Faculty of Physics of Vilnius University.

I hereby confirm that if during the election for the position of Dean of the Faculty of Physics of Vilnius University or, if I am elected as Dean of the Faculty of Physics, during the Deanship, I discover that such conflict of interest exists, emerges or is discovered, I will immediately inform the Electoral Commission of Faculty of Physics of Vilnius University or the Physics Faculty Council thereof (if a conflict of interest emerges or is discovered within the term), and if the fact of the conflict of interest is confirmed, I will resign from the position of Dean of the Faculty of Physics of Vilnius University.

To become a candidate for the position of Dean of the Faculty of Physics of Vilnius University, I also confirm that all my association with legal entities (memberships, duties or other involvement in activities of any legal entity)* during the 5 years before the submission of the present declaration is listed below:

Legal entity	Position	Type of Activity

I am aware that the information provided in this declaration will be announced publicly.
