

2019/20 autumn semester Light Engineering 2019-09-18

|           | 1 year |   |   | 2 year  |   | 3 year   |  |                                 |       |       |
|-----------|--------|---|---|---|---|--|--|---------------------------------|-------|-------|
| Monday    | 9-10   | <b>Mathematics I</b><br>Lect. V. Stepas 201   |   |   | Applied electronics I seminars<br>Dr. L. Minkevičius (group 2)<br>ITTC 108-4 ITTC 108-4<br>(group 1) (until November) |  | <b>Solar energetics</b><br>Prof. V. Tamošiūnas<br>211                                  |                                 | 9-10  |       |
|           | 10-11  |   |   |   | 10-11   |  |  |                                 |       |       |
|           | 11-12  | Mathematics I exercise (group 1), Lect. V. Stepas 215<br>M. consult. 215                | Technical drawings exercise SCIC A 213 (group 2)<br>Lect. P. Ragulis      | <b>Solid state physics</b><br>Assoc. Prof. Ramūnas Aleksiejūnas<br>Assoc. Prof. Tadas Malinauskas 213 |   | Solar energetics seminars 211  |  | 11-12                           |       |       |
|           | 12-13  | 12-13   | Solar energetics lab. works (group 1) 706                                 |   |   | Solar energetics lab. works (group 2) 706                                | 12-13  |                                 |       |       |
|           | 13-14  | Technical drawings exercise SCIC A 213 (group 1)<br>Lect. P. Ragulis                    | Mathematics I exercise (group 2) 215<br>Lect. V. Stepas<br>M Consult. 215 | Solid state physics exercise (group 1)<br>Lect. M. Mackoit-Sinkevičienė 213                           | Appl. el. lab. work (group 1) 809<br>Assoc. Prof. R. Rimeika  | Appl. el. lab. work (group 2) 809<br>Assoc. Prof. R. Rimeika             |  | 13-14                           |       |       |
|           | 14-15  | 14-15   | 14-15   | 14-15   |   |  |  |                                 |       |       |
|           | 15-16  |   |   |   |   |  |  |                                 | 15-16 |       |
|           | 16-17  |   |   |   | Optics lab. work (group 1) 424<br>Dr. L. Davulienė (from October)   |  |  |                                 |       | 16-17 |
|           | 17-18  |   |   |   |   |  |  |                                 | 17-18 |       |
| 18-19     |        |   |   |   |   |  |  | 18-19                           |       |       |
| Tuesday   | 9-10   |   |   |   | <b>Solid state physics</b><br>Assoc. Prof. Ramūnas Aleksiejūnas<br>Assoc. Prof. Tadas Malinauskas 213                 |  | <b>Organic optoelectronics</b><br>Prof. S. Juršėnas 401                                |                                 | 9-10  |       |
|           | 10-11  |   |   |   |   |  |  |                                 | 10-11 |       |
|           | 11-12  | Study Skills and Computer Literacy for Physicists 211<br>Dr. J. Jurkevičius, S. Pūkienė |   |   | Solid state physics exercise (group 2)<br>Lect. M. Mackoit-Sinkevičienė 213   | Visual progr. lab. work (group 1) 619<br>Dr. S. Nargelas                 | Org. optoe. Seminars 401   |                                 | 11-12 |       |
|           | 12-13  | 12-13   | 12-13   | 12-13   | 12-13   | <b>Optical spectroscopy*</b><br>Prof. V. Šablinskas, M. Velička 511, 423 | <b>Modern Illumination Technologies and Light Design*</b><br>Assoc. Prof. P. Vitta 401 | 12-13                           |       |       |
|           | 13-14  | Study skills & CL exercise ITPC 103 (group 1)   | English group 2 Lect. E. Norvilienė 211                                   |   |   | Visual progr. lab. work (group 2) 619<br>Dr. S. Nargelas                 |  |                                 | 13-14 |       |
|           | 14-15  | 14-15   | 14-15   | 14-15   | 14-15   | Optics lab. work (group 2) 424<br>Dr. L. Davulienė (from October)        | Optical spectroscopy practice 423  |                                 | 14-15 |       |
|           | 15-16  | English (group 1) Lect. E. Norvilienė 211   | Gen. phys. I lab. work (3, 4 group) 301<br>A. Mekys S. Daugėla            | Study skills & CL exercise ITPC 103 (group 3)   |   |  |  |                                 | 15-16 |       |
|           | 16-17  | 16-17   | 16-17   | 16-17   | 16-17   |  |  | 16-17                           |       |       |
|           | 17-18  | 17-18   | 17-18   | 17-18   | 17-18   |  |  | 17-18                           |       |       |
| 18-19     | 18-19  | 18-19   | 18-19   | 18-19   |   |  | 18-19  |                                 |       |       |
| Wednesday | 9-10   | <b>General Physics I</b><br>Dr. J. Jurkevičius, Lect. S. Balčiūnas 213                  |   |   | Appl. el. lab. work (group 3) 809<br>Dr. T. Čeponis   |  | <b>Laser technology</b><br>Assoc. Prof. O. Balachninaite 510                           |                                 | 9-10  |       |
|           | 10-11  | 10-11   |   |   | Solid state ph. lab. work (group 1) 708<br>Dr. A. Zabaliūtė-Karaliūnė   |  | Laser tech. Seminars 510   |                                 | 10-11 |       |
|           | 11-12  | <b>Technical drawings</b><br>Dr. P. Ragulis 211   |   |   | Appl. el. lab. work (group 4) 809<br>Dr. T. Čeponis   |  |  |                                 | 11-12 |       |
|           | 12-13  |   |   |   | <b>Visual programming</b><br>Dr. S. Nargelas 211  |  | Las. tech. lab. work (group 1) 522   | Org. optoe. lab. work (group 1) | 12-13 |       |
|           | 13-14  |   |   |   | <b>Optics DFA</b><br>Assoc. Prof. A. Matijošius 212   |  | Las. tech. lab. darbai (group 2) 522   | Org. optoe. lab. work (group 2) | 13-14 |       |
|           | 14-15  | Basic chemistry lab. work   |   |   | Optics exercise, consult. 212   |  | Modern illum tech & LD seminars, exercises ITPC 103                                    |                                 | 14-15 |       |
|           | 15-16  | ChGF, Neorg. chem. lab. Naugarduko 24, room 246.  |   |   |   |  |  |                                 | 15-16 |       |
|           | 16-17  |   |   |   |   |  |  |                                 | 16-17 |       |
|           | 17-18  |   |   |   |   |  |  |                                 | 17-18 |       |
| 18-19     |        |   |   |   |   |  |  | 18-19                           |       |       |
| Thursday  | 9-10   | English Lect. E. Norvilienė 211 (group 1)   | Study skills & CL exercise ITPC 103 (group 2)                             | <b>Applied electronics I/II</b><br>prof. V. Tamošiūnas 213  |   | <b>Semiconductors Growth Technologies</b><br>Assoc. Prof. R. Butkutė 510 |  | 9-10                            |       |       |
|           | 10-11  | 10-11   |   |   |   |  |  |                                 | 10-11 |       |
|           | 11-12  | <b>Basic chemistry seminars, exercise</b><br>J. Assist. A. Laurikėnas 211               |   |   | Solid state ph. lab. Work (group 2) 708<br>Dr. A. Zabaliūtė-Karaliūnė   | Visual progr. lab. work (group 3) 619<br>Dr. S. Nargelas                 | Semicon. gr. tech. Exercise, seminars, consult 510                                     |                                 | 11-12 |       |
|           | 12-13  | 12-13   |   |   |   |  | Semicon. gr. tech. lab. work, practice   |                                 | 12-13 |       |
|           | 13-14  | Gen. phys. I lab. work (1, 2 group) 301<br>A. Mekys S. Daugėla                          | English group 2 lect. E. Norvilienė 211                                   | Technical drawings exercise SCIC A 213 (group 3)<br>P. Ragulis  | Optics lab. work (group 3) 424<br>Dr. L. Davulienė (from October) 3h  | Visual progr. lab. work (group 4) 619<br>Dr. S. Nargelas                 |  |                                 | 13-14 |       |
